## ST. GABRIEL'S EPISCOPAL CHURCH

### “GODLY PLAY” AND NURSERY PROGRAM

---

*2009-2010 School Year*

# CHILDREN'S PROGRAMS 2009-2010

At St. Gabriel's Episcopal Church we are committed to providing a safe, welcoming space for children in which they can explore their faith, develop community with one another, and experience a growing relationship with God. All families in the community, whether or not they are members of St. Gabriel's, are invited to join us. Guests and drop-ins are always welcomed.

For preschool-aged children through 6<sup>th</sup> grade we offer two levels of "Godly Play": a class for younger children Pre-K through 2<sup>nd</sup> grade and a class for older children 3<sup>rd</sup> through 6<sup>th</sup> grade.

For little ones, aged "birth" through early preschool, we provide a nursery staffed each week by two care-providers. The children have a dedicated, fully equipped nursery room with age-appropriate toys, books and games.

## "GODLY PLAY"

"Godly Play", a Montessori-based curriculum, teaches children the art of using religious language - parable, sacred story, silence and liturgical action - helping them become more fully aware of the mystery of God's presence in their lives.

A typical "Godly Play" class begins when the child is greeted at the door of the classroom, encouraged to calm him or herself, and enter the "worship space" of the classroom. The children sit in a circle and begin the class with a centering prayer.

A storyteller then tells a story using props and figures appropriate to the setting and action. (For example, the story of Abraham wandering in the desert utilizes a large sandbox!) This allows the children to engage with the story at many levels.

When the story is done, the storyteller asks "I wonder" questions, allowing the children to draw their own parallels, conclusions, and synthesis of the story, each in his or her own way.

Afterward, the children have an opportunity to participate in creative activities using the story props, high-quality art supplies, journals or other materials designed to promote interactive, multi-sensory engagement with the story.

## NURSERY

Our nursery room is staffed and ready for little ones, opening approximately 15 minutes prior to the 10 am Sunday Service. Children may remain in the nursery for the duration of the service, or parents who wish their children to participate in Communion may pick them up.

The nursery is staffed by two caregivers at all times and is equipped with age-appropriate toys and games.

*To ensure the safety of children in the nursery, we ask that you take a moment to fill out a registration sheet for each child prior to dropping him/ her off for the first time.*

## REGISTRATION

Registration for the 2009-2010 school year will begin on Sunday, September 6<sup>th</sup> at 9:45 in the Parish Hall (on the right as you face the Church).

We ask that you fill out one Church School Registration Form per family, with the names and birth dates of each child.

If you have children who will be in our nursery, we request that you fill out one Nursery Information Form per child. Please be sure to notify us of any allergies or special needs that your child may have. We will also take a digital photo of parents and child to assist us in locating the child's parents during the church service should the need arise.

Registering your child/children will enable us to put you on our mailing list so that we can notify you of upcoming Church School events.

## OUR CLASSROOMS

Our classrooms are located just past the Parish Hall on the right side of the courtyard. Go through the glass doors. The classrooms and nursery are along the hallway to the left.
